

Jingxuan Zhang 张景宣

Personal

Born January 22, 1998, Beijing, China
Citizenship Chinese
Email jingxuan@tsinghua.edu.cn

Research interests

Analysis and interdisciplinary studies in quantum physics, signal processing, etc., primarily using tools from functional analysis, spectral theory, and partial differential equations

Employment

2026– Assistant Professor, Yau Mathematical Sciences Center, Tsinghua University
2023–2026 Postdoc, Yau Mathematical Sciences Center, Tsinghua University

Education

2023 Ph.D., University of Copenhagen (Advisor: Niels Martin Møller)
2020 M.A.St., University of Cambridge
2019 B.Sc., University of Toronto

Awards and honors

2024 Overseas Talent Recruitment Program, Ministry of Education (China)
2023 Shuimu Tsinghua Scholar, Tsinghua University
2022 MIT Visiting Fellowship, Ministry of Higher Education and Science (Denmark)
2022 Junior Fellowship, University of Toronto
2021 The Niels Bohr Grant, The Royal Danish Academy of Sciences and Letters
2021 Kovalevskaya Grant, International Congress for Mathematicians (ICM 2022)

Grants

2025–2027 NSFC Young Scientists Fund 12401602, PI
2024–2026 China Postdoctoral Science Foundation Special Fund 2024T170453, PI
